Description:

Provide fifth grade teachers and parents with 180 daily practice activities to build and gauge students reading comprehension and word study skills, writing proficiency, and mathematical fluency. Great for after school programs, intervention programs, or even as a work book used at

home, students will gain regular practice through these quick, yet rigorous activities. Choose from a variety of fiction and nonfiction passages included in 180 Days of Reading, theme-based units that help guide students through the five steps of the writing process with 180 Days of Writing, mathematics activities tied to specific mathematical concepts in 180 Days of mathematics, and much more! Data-driven assessment tips and a digital resource CD with assessment analysis and electronic versions of the daily practice activities are included with each book.
