Description:

Meredith's newest edition of *Project Management* focuses on all facets of the steps needed to successfully manage a project - from planning and resources to budgeting and more. An important goal is to appeal to help those preparing to take the PMBOK certification exams of the Project Management Institute. Revisions for the 8th Edition include a more consistent writing style

throughout, content updates in some chapters, additional examples of some concepts to make them easier to grasp, and improved visual elements to make the textbook and online resources easier to understand and navigate.
