## Description:

**From the Author** *Three powerful brothers tormented by their pasts, a priceless bottle of wine, and a precious lost pink diamond collide in this suspenseful new contemporary romantic suspense series from New York Times bestselling author Christina Dodd!*

## SECRETS OF BELLA TERRA

### The Story Begins...

Brooding and sexy Rafe Di Luca has returned to his family's luxurious vineyard resort and discovers that a long-ago quarrel has ignited once more, forcing him to work with Brooke Petersson, the woman he seduced ... and betrayed.

As the danger escalates and their passion threatens to rage out of control, Brooke fights her treacherous longing for a man who will never truly share his life with any woman. Remembering the anguish of the love they shared, she vows that Rafe may possess her body, but never again will he reach her fiercely guarded heart.

The peril they face will either bring them together, or destroy them both ... unless they uncover the secret that will change everything.

Rafe, in the wrong time zone and fortified with wine and whisky, reached out to twirl Brooke's dark hair around his finger.

She slapped his hand away.

He tried again. "Pretty," he said, fascinated by the shiny black luster.

She turned on him, and her expression mirrored Mrs. Marino's frustration and anger. "Look! Today, you act all concerned about me and how I'm doing too much for your grandmother and at the resort, and I finally get to bed at a decent hour, and buster, I was asleep, and you call me to spring you out of jail. And look at you! Split lip. Bruised throat. An ear half-torn off. And for what? A fun little brawl?"

Rafe scratched his head. He had a goose egg back there, too, but he wasn't going to tell her that. "It's not that bad."

"It's not like any of us need hospitalization," Stefano said.

Mrs. Marino cracked him across the brow.

Brooke continued, "Do you really think I'm going to cuddle with you now? Now? When you're all bloody and disgusting, and you stink of liquor and God knows what else? I don't think so!"

Rafe knew he should shut up, but he couldn't stop himself. "Sometimes a fight is fun. If you ever hit someone, you'd know what I mean."

Brooke punched with her fist and slammed him in the solar plexus, right at the base of his breastbone.

The force of the blow sent him staggering backward.

"You're right." She smiled tightly. "That was very satisfying."
