#### Praise for The Secret Of Teams

“One parable, well told, is worth a thousand rules. In this parable Mark deftly captures how he and his colleagues at Chick-fil-A have managed to tap into the very essence of what allows teams to

become the best version of themselves—great talent, incredible skills, and a tight sense of community. If you are seeking the same for your own team or business, read *The Secret of Teams*.”  
—Marcus Buckingham, New York Times bestselling author of *First, Break all the Rules and Now, Discover Your Strengths*

“No one understands the importance of culture and teamwork more than the folks at Chick-fil-A. They’re flat out one of the best companies in the world. Mark Miller shares some of their secrets in this remarkable business fable.”

—Patrick Lencioni, President, The Table Group, and author of *The Five Dysfunctions of a Team*

“Mark Miller's fine book is a must if you want to take your team from good to great. Written in a very simple, clear, and concise manner, *The Secret of Teams* distills complicated management theory into easily digestible bite-size pieces. I recommend this book for everyone who is leading a team or will soon lead a team.”

—General Charles Krulak, 31st Commandant of the US Marine Corps and President, Birmingham-Southern College

“Teamwork is still the ultimate competitive advantage. *The Secret of Teams* will help you take your team to the next level. When a team is not firing on all cylinders, everyone on the team knows that. How is your team doing? Teams don’t fail because they want to fail; they fail because they don’t know how to succeed. Let Mark Miller show your team how to succeed.”

—Matthew Kelly, New York Times bestselling author of *The Dream Manager* and *Off Balance*

“Mark offers unique experience and insight into how teams perform and what it takes to get more out of teaming efforts.”

—Jon Katzenbach, Senior Partner, Booz & Company, coauthor of *The Wisdom of Teams*, and author of *Peak Performance*

**Review** “Whether you’re part of a huge corporation, a not-for-profit organization, or a small company with just a few employees, apply the principles and practices in *The Secret of Teams* to make your workplace come alive.”

—Ken Blanchard, author of the bestselling classic *The One Minute Manager* (Ken Blanchard) -- This text refers to the edition.
