#### Description:

**#1 New York Times bestselling author of *American Assassin*—soon to be a major motion picture**

America's most powerful leader becomes its prime target, a "nightmarish" (*Booklist*) scenario made all-too-real in this Mitch Rapp thriller from #1 *New York Times* bestselling author Vince Flynn.

The stately calm of a Washington morning is shattered when a group of terrorists descends, killing dozens and taking nearly one hundred hostages as they massacre their way into the White House. The Secret Service evacuates the president to an underground bunker—and while officials argue over how to negotiate with the enemy, Mitch Rapp, the CIA's top counterterrorism operative, moves stealthily among the hidden corridors and secret passageways of the executive mansion, to save the hostages before the terrorists reach the president. But another adversary—someone within Washington's elite—is determined to see Rapp's rescue mission fail.
