Description:

Spectrum Math for grade 3 keeps kids at the top of their math game using progressive practice, math in everyday settings, and tests to monitor progress. The math workbook covers addition, subtraction, multiplication, division, fractions, and presenting data.

A best-selling series for well over 15 years, Spectrum still leads the way because it works. It works for parents who want to give their child a leg up in math. It works for teachers who want their students to meet—and surpass—learning goals. And it works to help children build confidence and

advance their skills. No matter what subject or grade, Spectrum provides thorough practice and focused instruction to support student success.
