#### **Description:**

Your students need clear, complete answers to their questions about research, writing, and grammar—and they often need them at a moment's notice. As their teacher, you are their greatest resource, but you can't be available 24/7. For help with work in class and at home and especially for questions at odd hours, students can turn to *A Pocket Style Manual*.

The thoughtfully revised seventh edition makes it even easier for students to effectively and independently address their writing and research challenges. With 325 documentation models in four styles and coverage of drafting thesis statements, writing correctly and effectively, finding and

evaluating sources, and writing research papers, *A Pocket Style Manual* supports writers across the disciplines.

Our newest set of online materials, LaunchPad Solo, provides all the key tools and course-specific content that you need to teach your class. The *LaunchPad Solo for A Pocket Style Manual* includes exercises, sample student writing, and LearningCurve game-like adaptive quizzing.
