Description:

Review

"When it comes to holocausts or other horrors, most of us assume God has his hands tied and his back to the wall. We figure the devil wreaks havoc when God's not looking; we rationalize the Lord's 'mistakes,' figuring he absentmindedly took his hands off the wheel when tragedies happen. But John Piper paints a different picture from the pages of Scripture that will strengthen your heart, bolster

your faith, and deepen your understanding of the 'largeness' of God's sovereignty."

—**Joni Eareckson Tada**, Founder and CEO, Joni and Friends International Disability Center

"I had to read this book twice. The weighty truths about the sovereign wisdom and power of God unpacked in these pages created in me an overwhelming feeling of gratitude and ultimate safety. To be reminded of his might over everything is priceless, and I don't think I'll ever be able to preach the same again."

—**Matt Chandler**, Pastor, The Village Church; President, Acts 29 Church Planting Network

"Pastors, make sure your people read this book! I know of no one who has so clearly addressed the relationship of man's sin and God's sovereignty as John has done in Spectacular Sins."

—**Randy Pope**, Pastor, Perimeter Church, Duluth, GA

"Spectacular Sins and Their Global Purpose in the Glory of Christ. Wow! Spectacular and sin! I've never seen those words together before. And who but John Piper could so brilliantly weave them into the same lyric as the global, purposeful glory of Christ! This man never ceases to inspire me to be more awestruck with the supremacy of Jesus."

—**Chris Tomlin**, Recording Artist, Song-writer and Lead Worshiper
