Description:

The Beginner's Photography Guide, 2nd Edition is DK's bestselling manual for any novice photographer who wants to unlock the potential of their new digital camera.

Assuming no prior knowledge, this guide's easy-to-follow, step-by-step layout makes it accessible as

it takes you through every technique you need to create stunning images, from exposure to flash to image enhancement. Handy checklists provide a quick rundown of the equipment and camera settings for each technique, and at-a-glance comparison images show how camera settings can produce remarkably different results. Hundreds of inspirational images provide even more motivation to reach your goal.

Fully updated to reflect all the latest developments in technology and creative trends in digital image-making, *The Beginner's Photography Guide, 2nd Edition* will empower you to achieve your full potential as a digital photographer.
