Description:

The PowerScore LSAT Logic Games Bible™ is the most comprehensive book available for the Logic Games section of the LSAT. This best-selling book will provide you with an advanced system for attacking any game that you may encounter on the LSAT.

The concepts presented in the Logic Games Bible are representative of the techniques covered in PowerScore's live courses and have consistently been proven effective for thousands of students.

The PowerScore Logic Games Bible features and explains a detailed methodology for solving all aspects of Logic Games, including:

Recognizing game types and the proper way to represent rules

The methods for making inferences efficiently and accurately
Techniques for solving each question type

Detailed explanations for 30 official LSAT logic games

Time management strategies

Extensive drills to reinforce every major concept

A classification of every type of game that has appeared on the LSAT since June 1991

Access to a unique website that provides additional materials to complement the book and answer frequently asked student questions.

The Analytical Reasoning problems on the LSAT are often the most intimidating; however, once you understand how to construct an appropriate setup and make the necessary inferences, the solution to each question is quickly discovered.

The following Game types are covered in detail:

Basic Linear Games

Advanced Linear Games

Grouping Games

Grouping and Linear Combination Games

Mapping Games

Pattern Games

Sequencing Games

Circular Sequencing Games

Numerical Distribution Games

Limited Possibilities Games
