Description:

From Publishers Weekly Best known for historical thrillers like *Infamous*, Atkins kicks off a new series with a solid action-packed yarn featuring U.S. Army Ranger Quinn Colson. When Colson returns home to Jericho, Miss., from his most recent tour of duty in Afghanistan for his uncle's funeral, he's surprised to learn that his uncle, former sheriff Hampton Beckett, shot himself to death. An old friend, Deputy Lillie Virgil, suspects that Beckett was actually murdered. Colson's efforts to prove that theory bring him up against both the violent and the corrupt. During Colson's time away, his rural community has been overrun with meth dealers, whose blight affects those close to him. The contours of the story line are a bit too familiar—the prodigal son returning home to clean up the town—and the setup for sequels is predictable, but the author's superior prose will carry most readers along and raise hopes for more original plotting next time. Greg Iles fans will find much to like. (June) --This text refers to an out of print or unavailable edition of this title.

Review I have always been impressed with (jealous of) how easy Ace Atkins makes it look. The

Ranger is by far his best work...I hope Quinn Colson and Lillie Virgil stick around for a good long time, -- Michael Connelly Atkins has written a bunch of great thrillers, but this one sets up a series that should push him to the top of the bestseller list. -- John Sandford Atkins can run rings around most of the names in the crime field. -- Elmore Leonard This exciting thriller leaves you looking forward to the ranger's return.
